## What to do next?

### FAQ

#### Why choose porcelain panels for your next project?

One of the market's most sophisticated architectural materials, our Italian porcelain panels are a popular choice for discerning Perth developers, architects, and designers. Versatile, durable, and beautiful, large format porcelain panels make the perfect design choice for floors, walls, benchtops and splashbacks.

With a wide variety of designs and a selection of finishes, you're sure to find the perfect style for your next project with our Bella Series.

#### Where can I view panels?

Visitors are welcome to our warehouse in Malaga to view our spectacular, carefully curated collection of natural stone slabs and exclusive porcelain panels up close.

Our beautiful range is also featured at Lux Interior's Claremont showroom. By special appointment, you can seek guidance from design professionals on the perfect stone slab or porcelain panel for your next project.
